Monitoring and support

**An invaluable tool  
 for emergency notification,  
 coordination, and response.**

IamResponding is delivered on the most redundant, reliable and real-world proven network in the industry with **zero downtime in 6+ years**. Millions of dispatches have been processed, and **more than 500 million messages** have been delivered to subscribers worldwide.

**When you need it most  
 IamResponding will be  
 there for you!**

**≤100**  
 Incidents/year

**\$ 300/Year**

One-Time Set-Up Fee: \$ 50/One-time  
 Telephone Calls: \$ 5/Year/Department

**100+**  
 Incidents/year

**\$ 800/Year**

Three-Year Subscription: \$ 725/Year  
 Five-Year Subscription: \$ 650/Year

One-Time Set-Up Fee: \$ 50/One-time  
 Telephone Calls: \$ 10/Year/Department

Subscription fees may be paid in equal, annual payments, or in full up-front. \$300 pricing is only for fire departments, EMS agencies and municipal response teams. It is not available to response teams which are part of a commercial entity.

**We love it...  
 it's absolutely fantastic.**  
 IamResponding shaves several minutes off making critical decisions, and lets face it, minutes count.  
 Fire Chief Ken Morse

**Our first responders  
 love how easy it is to use  
 your product.** The IamResponding team is the easiest and quickest vendor that we deal with. Others could follow your example of great customer service!  
 Kevin W. Revere,  
 Director of Emergency Services
