North Dakota Firefighter Association Members

The members of the Devils Lake Fire Department and Devils Lake Rural Fire Department have been working hard preparing to host the 140<sup>th</sup> North Dakota Firefighters Association State Convention. This year's convention will be held on June-6-7-8, 2024 in beautiful Devils Lake.

Enclosed in this packet you will find registration forms for the Convention, Golf Tournament, Fishing Event, Pistol Shooting, and Spouse's Program. A Fallen Firefighter form and a listing of available local hotels is also included. If you have not secured hotel accommodation, please do so as soon as possible as they are filling up fast.

We have secured Benjamin Martin as our keynote speaker. Benjamin will be speaking on Intoxicated Leadership. Intoxicated Leadership illustrates what happens when we allow our emotions to hijack our ability to think critically. Whether provoked during a disagreement, in command on the fireground, or even at home with our families, the ability to stay in control of yourself and the situation is a must for leaders. Be prepared to laugh in this class while we poke fun at the collective ego of the fire service, as well as gaining a better understanding of motivation, engagement, coaching, and influence among our teams.

At the completion of the convention on Saturday, stick around as Benjamin Martin will again be presenting on Kindling Change. Explore the holistic perspectives on leadership, decision-making, and change management, focusing uniquely on emotions in daily interactions. Martin shares his conception of Leadership 3.0, strategies to manage stress and burnout, and the importance of workplace relationships, and emphasizes emotional intelligence for outstanding leadership

For your convenience, courtesy vans have been lined up. Park your vehicle at the hotels and let us do all the driving to the scheduled events for you.

Please have all registration forms for the convention, golf tournament, fishing event, pistol shooting spouse's program and fallen firefighter memorial turned into us by May 12<sup>th</sup>.

We are looking forward to seeing you in Devils Lake!!!
