### **SPECIFIC TERMS AND CONDITIONS**

The North Dakota Department of Transportation State Fleet Services (NDDOT) seeks vehicle detailing services for the Fargo area. The successful bidder will be required to furnish complete services pertinent to the detailing of State Fleet vehicles.

The Fargo area has a district shop and a university shop location. The awarded contractor will be responsible for the pickup and delivery of all vehicles which will be located at the shop locations indicated below. In all instances, the vendor will need to contact shop supervisors to acquire the keys, and to arrange the pick-up and return of vehicles.

The majority of detailing will be the preparation of surplus State Fleet vehicles for auction. The detailing service may also be utilized during the term of the contract for other State Fleet vehicles which are in-service. Timely turnaround is expected and no specific appointments will be required.

Approximately 150 State Fleet vehicles are sold by auction annually in the Fargo area. Units consist of: Highway Patrol cars, small and large SUV's and vans, light and heavy duty pickups, mid-size cars, and miscellaneous vehicles. The exact quantity and mix of vehicles for the Fargo area is unknown at this time.

The NDDOT reserves the right to execute any or all of the price options depending upon the actual auction vehicle listing and condition of the vehicles. No minimum guarantee is implied.

The department will be conducting live auctions in Fargo annually. The awarded contractor will receive a list of live auction sale dates when they are established. Additionally, State Fleet vehicles located statewide will be sold through an on-line auction service.

The awarded contractor shall be responsible for damage to vehicles during the entire time they are in the contractor's possession.

The awarded contractor will use cleaning products designed for a vehicle detailing service. Should it be: mats, tires, and dash reconditioning products are to be commercially available and designed for such use, no "home brewed" oil mixtures, etc.

The primary contacts for this contract will be Scott Schaffer (701-328-1434) of State Fleet Services and/or the shop supervisors listed below.

For live auction vehicles, a list of vehicles to be auctioned that require detailing will be provided approximately three to four weeks prior to the live auction sale date.

All invoices for vehicle detailing for auction sales, regardless of location, are to be sent to Scott Schaffer in State Fleet Services for payment. Live auction invoices are for the entire lot and can be submitted after the last detailed vehicle has been returned to the location. Other detail invoices can be sent as work is completed.

The Fargo shop supervisors may schedule the detailing of miscellaneous in-service vehicles as the need arises. Invoices for in-service vehicle cleaning are to be sent to the shop supervisors as indicated below. There may be exceptions when another state agency will be responsible for payment. Directions for invoicing will be given at that time.
