Minimum payment for each tractor shall be the hourly rate times the estimated usage of 300 hours. ($Hourly Rate as bid x 250 hours = Minimum payment/tractor)

Lessee will carry physical damage insurance on the tractor with loader. Lessee will accept responsibility for any breakage due to negligence done by them. Tractors will have normal wear and tear from roadside mowing, loading salt/sand into trucks, and the snow blowing operation. The units may have minor corrosion from the salt. **The dealer and DOT representative must complete the tractor return form attached within 10 working days of the tractors return. No claims for damage after the 10 working days will be permitted.**

Lessor, or an authorized representative, shall provide 24-hour parts availability. Major repairs shall be done at the dealer's service facility. Lessee personnel will be responsible for daily maintenance, greasing, checking fluids, and keeping the tractor clean. Any tractor with loader out of service for five days or more shall require a replacement tractor with loader of similar features and horsepower to be setup and delivered to the assigned location as mutually agreed upon by the specific delivery lessee.

Lessor, or an authorized representative, shall provide all oil and filters for routine maintenance at no charge to the department. The routine maintenance will be performed by the lessee as required by the operator's handbook. The lessor may require the maintenance be performed by the servicing dealer. If the lessor requires the routine maintenance be performed by the servicing dealer, this shall be done at no cost to the department.

Lessor, or an authorized representative, shall at the time of delivery be available to oversee the attachment of the intended implement and make recommendations to prevent damage to the tractor or the attached implement. Lessor, or an authorized representative, shall also at the time of delivery familiarize the operators to ensure efficient operation and to prevent damage to the tractor. **Rear wheels of the tractor shall be set out to the maximum width, but not less than 96" from outside of tire to outside of tire at the time of delivery.**

Payment/compensation shall be paid as follows: 70% of the total price bid for 300 hours of use will be paid upon satisfactory acceptance of the contract and delivery of tractors, not earlier than July 10. The remaining 30% plus any additional amount over 300 hours shall be paid upon satisfactory completion of the contract rental period. **Invoices shall be addressed to the Districts receiving the tractors.**

BIDDER: Northern Plains Equipment
The intent of this bid specification is to request pricing for the rental of an Ag Tractor for road side mowing operations. The tractors shall be new or carry-over model used less than 300 hours and be of the current make and model. The contract rental period will be approximately 6 months. Tractors shall be delivered not later than May 1st of 2016 and returned by November 30± 2016. Dealer shall be responsible for delivery to and pickup from the District Headquarters at no additional cost to the department. Quantities and locations are shown below.

Tractors are to be used for an estimated 250 engine hours during the rental period. Additional hours over 250 shall be invoiced at the quoted hourly rate for hours over 250. Minimum payment for each tractor shall be the hourly rate times the estimated usage of 250 hours. ($Hourly Rate as bid x 250 hours = Minimum payment/tractor)

Lessee will carry physical damage insurance on the tractors. Lessee will accept responsibility for any breakage due to negligence done by them. Tractor will have normal wear and tear from mowing operations when returned. The dealer and DOT representative must complete the tractor return form attached within 10 working days of the tractors return. No claims for damage after the 10 working days will be permitted.

Lessor, or an authorized representative, shall provide 24-hour parts availability as feasible. Major repairs shall be done at the dealer’s service facility. Lessee personnel will be responsible for daily maintenance, greasing, checking fluids, and keeping the tractor clean. Tractors out of service for five working days or more shall require a replacement tractor of similar features and horsepower to be setup and delivered to the assigned location as mutually agreed upon by the specific delivery lessee.

Lessor, or an authorized representative, shall provide all oil and filters for routine maintenance at no charge to the department. The routine maintenance will be performed by the lessee as required by the manufacturer and/or the operator’s handbook. The lessor may require the maintenance be performed by the servicing dealer. Subject: DOT Rental Pricing/Number of Tractors Bid

Attached is a spread sheet that lists the numbers of tractors that Northern Plains Equipment is bidding, by location. The price and quantity are market driven, so there is a variation by Districts bid. The pricing is for up to 250 hours of use, flat fee-not hourly. If a tractor is needed beyond 250 hours, the District should notify the supplying location and request a replacement tractor which will be provided at no additional charge.

Finally, we believe we can supply the units listed within the time frame requested. However, this bid was typically awarded earlier and the supply chain is dynamic, changing on a daily basis, particularly with the recent action by congress, relative to tax credits. Past experience has been 6 months or more lead time, but Northern Plains Equipment believes the lead time will be less.

Sincerely,

Marc J. Taylor, Owner

Any alterations or corrections made to the unit or total price must be initialed by the bidder. Failure to do so may be cause for bid rejection.

*The bid shall include a cost for each hour the unit will be used. The hourly rate may not be less than one (1) cent.

NDDOT will award to the lowest bid meeting specifications for each delivery location. Bidder does not need to bid on all items to be considered for award. Bidder is to provide all tractors, of identified spec, per each bidding location.

Example: If bidding on item 1A, bidder is agreeing to provide all tractors for 6 month lease without loader for NDDOT Bismarck Location. NDDOT prefers not to split awards within any one delivery location and tractor type.

Please attach rental conditions and a brief narrative of your company's ability to respond to breakdowns with emergency service or replacement equipment.

If bidder is offering more than one tractor size, then attach a list of models.

TERMS AND CONDITIONS

AGREEMENT:
Lessor, in consideration of the covenants, promises, and agreements on the part of the Lessee, hereinafter contained, hereby leases the equipment to Lessee in accordance with the terms of this agreement.

AMENDMENTS:
The terms of this agreement shall not be waived, altered, modified, supplemented, or amended, in any manner whatsoever, except by written instrument signed by the parties.

TRANSPORTATION CHARGES:
Lessee shall pay to the Lessor transportation charges incurred by Lessor in delivering the equipment to Lessee, and shall pay all such charges to return the equipment to Lessor upon termination of the lease. If applicable, transportation charges may be included in the rental rate.
OPERATION OF EQUIPMENT:
Lessee agrees that the equipment will be operated only by competent employees and will not be operated beyond the manufacturer's rated capacity nor improperly cared for or abused. The Lessee will pay for all costs of operation including regular maintenance and all repairs necessary due to improper use. Lessor shall supply all information necessary for Lessee to properly prepare operators and maintenance for their responsibilities. The equipment shall be returned to Lessor in as good condition as received, less reasonable wear and tear.

REPAIRS:
The expense of all major repairs made during the rental period, which shall be made by the Lessor's maintenance personnel, including labor, parts, mileage and other items will be paid by the Lessor unless required repairs are due to abuse or misuse of the equipment. The Lessee agrees to pay for repair of damaged tires or excessive wear. Cuts resulting in permanent damage to a tire will be subject to repair or replacement by Lessee if due to improper use or abuse. If the machine is down for more than 24 hours due to repairs, Lessor will issue credit of the prorated rental rate, or replace with a like or similar machine, if mutually agreed upon, or the agreement may be terminated and credited accordingly.

WARRANTY:
Lessor assigns to Lessee, for and during the term of this agreement, so long as Lessee shall not be in default, all manufacturer's warranties and guarantees, express or implied, issued on or applicable to the equipment.

ALTERATIONS AND MODIFICATIONS OF EQUIPMENT:
Lessee shall not make any additions, attachments, alterations or improvements to the equipment without the prior written consent of Lessor. Any addition, attachment, alteration or improvement of equipment shall belong to and become the property of Lessor unless, at the request of the Lessor, it is removed prior to the return of such item of equipment by Lessee. Lessee shall be responsible for all costs relating to such removal and shall restore such item of equipment to its operating condition that existed at the time it became subject to the applicable lease.

LIABILITY:
Lessee and Lessor each agrees to assume its own liability for any and all claims of any nature including all costs, expenses and attorneys' fees which may in any manner result from or arise out of this agreement.

INSURANCE:
Insurance shall be secured and kept in force during the term of this agreement, from insurance companies or a government self-insurance pool authorized to do business in the state of North Dakota, to include the following coverage:

1) Lessee and Lessor shall provide commercial general liability with minimum liability limits of $250,000 per person and $1,000,000 per occurrence.
2) Lessee shall provide property insurance insuring the full and true value of the equipment. Insurance policy shall name Lessee as insured and Lessor as an additional insured and loss payee thereof as Lessor's interest may appear. An Evidence of Property Insurance shall be provided to the Lessor by the Lessee.

The insurance coverage listed above shall meet the following additional requirements:

1) Any deductible or self-insured retention amount or other similar obligation shall be the sole responsibility of the party purchasing the coverage.
2) This insurance may be in policy or policies of insurance, primary and excess, including the so-called umbrella or catastrophe form and must be placed with insurers rated "A" or better by A. M. Best Company Inc., provided any excess policy follows form for coverage. "Follows form" means the excess policy must be written with the same terms and conditions as the policy to which is in excess.
3) Either party may request a certificate of insurance evidencing the required coverage that is in effect and providing that the coverage may not be canceled or modified without thirty (30) days prior written notice to the other party.
4) Failure to provide insurance as required in this agreement is a material breach of contract.

TAXES:
The State does not pay sales tax or most federal taxes. The State's sales tax exemption number is E-2001. The federal tax free transaction number is 45-70-0010K. The federal employer identification number is 45-0309764.
INSPECTION:
Lessee agrees to permit Lessor or its representatives to inspect equipment leased hereunder at all reasonable times upon request of Lessor.

TERMINATION:

a. This agreement may be terminated by mutual consent of both parties, or by either party upon 30 day's notice, in writing or delivered by certified mail or in person.

b. In addition, Lessee may terminate this agreement effective upon delivery of written notice to the Lessor, or at such later date as may be established by Lessee, under any of the following conditions:
   1) If Lessee funding from federal, state, or other sources is not obtained and continued at levels sufficient to allow for purchase of the indicated quantity of services. The agreement may be modified unilaterally to accommodate a reduction in funds.
   2) If federal or state regulations or guidelines are modified, changed, or interpreted in such a way that the services are no longer allowable or appropriate for purchase under this agreement or are no longer eligible for the funding proposed for payments authorized by this agreement.
   3) If any license or certificate required by law or regulation to be held by the Lessor to provide the services required by the agreement is for any reason denied or revoked.

Any such termination of this agreement under (1), (2), or (3), above, shall be without prejudice to any obligations of either party already accrued prior to such termination.

c. Either party, by written notice, may terminate the whole or any part of this agreement:
   1) If either party fails to provide services called for by this agreement within the time specified herein or any extension thereof; or

Background: Northern Plains Equipment Co., Inc. has been in business since 1984. We are one of the pioneers of leasing equipment to state agencies, in North Dakota and the United States.

Northern Plains Equipment Co., Inc. has supplied 100’s of Case IH tractors to the North Dakota DOT, North Dakota Game and Fish, NDSU and several other agencies with nearly a decade of experience. Northern Plains Equipment Co., Inc. partners with several other Case IH dealers to provide the highest level of service possible. Any Case IH dealership is required to perform warranty/service work on equipment the DOT would be leasing. However, the dealers that have provided service in the past will generally provide the fastest responses to service issues. If the lease experience is not at the level of the receiving District’s expectations, we can supply equipment from a different location.

You will also be receiving the full support of the dedicated Case IH field staff that has assisted the Case IH dealer organization with scheduling of shipments, training and on any service issues.

Rental conditions: Tractors shall be operated and maintained as directed by the operator’s manual (supplied with each tractor). Physical Damage is the responsibility of the renter. We would expect to switch tractors before they accumulate 250 hours (at no charge to the renter). No smoking is allowed in the tractor cabs.

Breakdown response: We expect the servicing location to respond in a timely manner to any breakdown or service required for the tractors supplied. Any Case IH dealer is required to provide warranty service. We also expect to have several backup units available for situations where the tractor cannot be repaired in a timely manner.

TERMS AND CONDITIONS

AGREEMENT:
Lessor, in consideration of the covenants, promises, and agreements on the part of the Lessee, hereinafter contained, hereby leases the equipment to Lessee in accordance with the terms of this agreement.

AMENDMENTS:
The terms of this agreement shall not be waived, altered, modified, supplemented, or amended, in any manner whatsoever, except by written
instrument signed by the parties.

TRANSPORTATION CHARGES:
Lessee shall pay to the Lessor transportation charges incurred by Lessor in delivering the equipment to Lessee, and shall pay all such charges to return the equipment to Lessor upon termination of the lease. If applicable, transportation charges may be included in the rental rate.

OPERATION OF EQUIPMENT:
Lessee agrees that the equipment will be operated only by competent employees and will not be operated beyond the manufacturer's rated capacity nor improperly cared for or abused. The Lessee will pay for all costs of operation including regular maintenance and all repairs necessary due to improper use. Lessor shall supply all information necessary for Lessee to properly prepare operators and maintenance for their responsibilities. The equipment shall be returned to Lessor in as good condition as received, less reasonable wear and tear.

REPAIRS:
The expense of all major repairs made during the rental period, which shall be made by the Lessor's maintenance personnel, including labor, parts, mileage and other items will be paid by the Lessor unless required repairs are due to abuse or misuse of the equipment. The Lessee agrees to pay for repair of damaged tires or excessive wear. Cuts resulting in permanent damage to a tire will be subject to repair or replacement by Lessee if due to improper use or abuse. If the machine is down for more than 24 hours due to repairs, Lessor will issue credit of the prorated rental rate, or replace with a like or similar machine, if mutually agreed upon, or the agreement may be terminated and credited accordingly.

WARRANTY:

Lessee shall not make any additions, attachments, alterations or improvements to the equipment without the prior written consent of Lessor. Any addition, alteration or improvement of equipment shall belong to and become the property of Lessor unless, at the request of the Lessor, it is removed prior to the return of such item of equipment by Lessee. Lessee shall be responsible for all costs relating to such removal and shall restore such item of equipment to its operating condition that existed at the time it became subject to the applicable lease.

LIABILITY:
Lessee and Lessor each agrees to assume its own liability for any and all claims of any nature including all costs, expenses and attorneys' fees which may in any manner result from or arise out of this agreement.

INSURANCE:
Insurance shall be secured and kept in force during the term of this agreement, from insurance companies or a government self-insurance pool authorized to do business in the state of North Dakota, to include the following coverage:

1) Lessee and Lessor shall provide commercial general liability with minimum liability limits of $250,000 per person and $1,000,000 per occurrence.

2) Lessee shall provide property insurance insuring the full and true value of the equipment. Insurance policy shall name Lessee as insured and Lessor as an additional insured and loss payee thereof as Lessor's interest may appear. b. In addition, Lessee may terminate this agreement effective upon delivery of written notice to the Lessor, or at such later date as may be established by Lessee, under any of the following conditions:
   1) If Lessee funding from federal, state, or other sources is not obtained and continued at levels sufficient to allow for purchase of the indicated quantity of services. The agreement may be modified unilaterally to accommodate a reduction in funds.
   2) If federal or state regulations or guidelines are modified, changed, or interpreted in such a way that the services are no longer allowable or appropriate for purchase under this agreement or are no longer eligible for the funding proposed for payments authorized by this agreement.
   3) If any license or certificate required by law or regulation to be held by the Lessor to provide the services required by the agreement is for any reason denied or revoked.

Any such termination of this agreement under (1), (2), or (3), above, shall be without prejudice to any obligations of either party already accrued prior to such termination.
