Risk Management Appendix

Service Contracts with Private Individuals, Companies, Corporations, Etc.:

Contractor agrees to defend, indemnify, and hold harmless the state of North Dakota, its agencies, officers and employees (State), from and against claims based on the vicarious liability of the State or its agents, but not against claims based on the State's contributory negligence, comparative and/or contributory negligence or fault, sole negligence, or intentional misconduct. The legal defense provided by Contractor to the State under this provision must be free of any conflicts of interest, even if retention of separate legal counsel for the State is necessary. Contractor also agrees to defend, indemnify, and hold the State harmless for all costs, expenses and attorneys' fees incurred if the State prevails in an action against Contractor in establishing and litigating the indemnification coverage provided herein. This obligation shall continue after the termination of this agreement.

Contractor shall secure and keep in force during the term of this agreement, from insurance companies, government self-insurance pools or government self-retention funds authorized to do business in North Dakota, the following insurance coverages:

- 1) **Commercial general liability and automobile liability** insurance – minimum limits of liability required are **\$250,000 per person and \$1,000,000 per occurrence.**
- 2) **Workers compensation** insurance meeting all statutory limits.
- 3) The State of North Dakota, its agencies, officers, and employees (State) shall be endorsed as an **additional insured** on the commercial general liability and automobile liability policies.
- 4) Said endorsements shall contain a **"Waiver of Subrogation"** in favor of the state of North Dakota.
- 5) The policies and endorsements may not be canceled or modified without **thirty (30) days prior written notice** to the undersigned State representative

Contractor shall furnish a certificate of insurance evidencing the requirements in 1, 3, and 4, above to the undersigned State representative prior to commencement of this agreement.

The State reserves the right to obtain complete, certified copies of all required insurance documents, policies, or endorsements at any time. Any attorney who represents the State under this contract must first qualify as and be appointed by the North Dakota Attorney General as a Special Assistant Attorney General as required under N.D.C.C. Section 54-12-08.

When a portion of a Contract is sublet, the Contractor shall obtain insurance protection (as outlined above) to provide liability coverage to protect the Contractor and the State as a result of work undertaken by the Subcontractor. In addition, the Contractor shall ensure that any and all parties performing work under the Contract are covered by public liability insurance as outlined above. All Subcontractors performing work under the Contract are required to maintain the same scope of insurance required of the Contractor. The Contractor shall be held responsible for ensuring compliance with those requirements by all Subcontractors

Contractor's insurance coverage shall be primary (i.e., pay first) as respects any insurance, self-insurance or self-retention maintained by the State. Any insurance, self-insurance or self-retention maintained by the State shall be excess of the Contractor's insurance and shall not contribute with it. The insolvency or bankruptcy of the insured Contractor shall not release the insurer from payment under the policy, even when such insolvency or bankruptcy prevents the insured Contractor from meeting the retention limit under the policy. Any deductible amount or other obligations under the policy(ies) shall be the sole responsibility of the Contractor. This insurance may be in a policy or policies of insurance, primary and excess, including the so-called umbrella or catastrophe form and be placed with insurers rated "A-" or better by A M Best Company, Inc. The State will be indemnified, saved, and held harmless to the full extent of any coverage actually secured by the Contractor in excess of the minimum requirements set forth above.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

ADHESIVE DRIVE TIME CAUTION

Out of concern for our valued customers, we recommend that you avoid driving your vehicle until the adhesive used to install your windshield achieves sufficient strength to meet the federal motor vehicle safety standards for windshield retention.

The adhesive used to install your windshield was designed to meet those standards in the event of a collision or rollover. Until the adhesive develops sufficient strength, the windshield may not remain in position during a collision or rollover, placing passengers in the vehicle in greater danger of severe or fatal injury. Please drive with care and ALWAYS wear your seatbelt.

The "minimum drive away time" for this vehicle is determined by the adhesive manufacturer. It is based on a number of factors, which may include: the presence of a passenger side airbag, the adhesive used, and the temperature and humidity at the time of installation.

LIMITED WARRANTY

Automobile glass is warranted against defects in material or workmanship for as long as you own the vehicle in which the glass is installed so long as such defects are brought to the attention of Safelite within 30 days of discovery of a defect. Truck sliding back glass is warranted against defects in material and workmanship for two years from the date of installation as shown on the invoice.

Exclusions

This warranty does not cover leaks, stress cracks, or related damage in connection with installations to vehicles having damage or rust on the pinchweld. Safelite will use commercially reasonable efforts to advise you of the existence of such damage or rust prior to removal of existing glass; however, it is often not possible to do this. In these cases, Safelite is not responsible for any associated damage. In addition, damage not involving defective workmanship or materials is expressly excluded from coverage under this warranty. IN NO EVENT SHALL THE MANUFACTURER OR VENDOR BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights, which vary from state to state.

General

If you have a problem that is covered by this warranty, you may contact any of our stores or phone Toll Free 1-800-835-2257 and we will replace or repair the warranted product or correct the defective workmanship without charge at a mutually agreed upon time. If we are unable to do so, we will refund the original purchase price of your warranted product. In order to exercise your rights under this warranty, we will require evidence of installation by Safelite, such as a copy of the invoice on the front of this warranty.

WINDSHIELD REPAIR

The repair process involves the injection of special adhesives into the damaged part of the glass. The degree of success of each repair is a function of several variables. The best results are obtained when the damage is recent, the point of impact is small, the cracks around the damaged area are small, and there is no moisture or other foreign matter in the damaged area.

In some cases, the attempt to repair a windshield can result in the chip or crack becoming larger, and we are not responsible for such damage.

If you are dissatisfied with the repair, we will credit the cost of the repair toward replacement. If your insurance company paid for the repair, the insurance company will receive the credit.

We guarantee that the repaired portion of the windshield will not crack further and that the repair will pass any state vehicle inspection, or we will credit the cost of the repair toward replacement.

This warranty applies as long as you own or lease the vehicle on which the repair was made and is not transferable.
