SPECIFICATIONS
FOR
VEHICULAR AIR, FUEL AND OIL FILTERS
IN THE VALLEY CITY AREA

This contract will service the following District Location and State Fleet Shops located at local colleges or universities if applicable:

North Dakota Department of Transportation
District Shop
1524 8th Avenue Southwest
Valley City, North Dakota 58072-4200

All air, fuel, oil, etc. filters furnished shall meet or exceed the manufacturer's "original equipment" specifications. Bidders must cross reference bid filter numbers to Wix filter numbers provided on the Bid Response pages. This is not an "all" inclusive list of filters purchases.

ACCEPTABLE BRANDS ARE: AC-Delco, Amsoil, Baldwin, Fleetguard, Fram, Carquest, Donaldson, Hastings, Luberfiner, NAPA, and Wix. The bid price is to be based on the discount off the manufacturer's price list.

CONDITIONS:

1. The efficient operation of the North Dakota Department of Transportation is dependent upon the local District's ability to properly maintain and promptly return vehicles to service. We are reliant upon the ability of the awarded contractor to provide timely delivery of filters. **LOCAL DELIVERY SERVICE IS REQUIRED**. The NDDOT highly recommends that the awarded contractor become familiar with the operations of the local district shop and to stock the "high-use" filters listed herein. Delivery of filters not stocked by the awarded contractor must be made within seven (7) days after the receipt of the purchase order. Emergency orders should be delivered to the district shop within 15 minutes of the call. **If delivery requirements cannot be met within the specified time, the filters may be purchased from another vendor. The district will keep a record of the incurred cost with copies of the purchase invoices to attach as proof of the price variance deduction.** Deliveries are to be F.O.B. destination to the district location.

2. The right is reserved to return for credit, at the contract purchase price, without handling charge, clean and unused filters in the original containers, which have become excess to the agency's needs due to replacement of vehicles and equipment. Filters being returned for credit will be shipped at the states expense unless the original shipment from the contract was due to the contractor's error.

3. After awarding of the contract, the successful contractor is required to furnish each location with two (2) copies of catalogs, replacement data books, and price lists. The district's filter inventory was set based on WIX part numbers. The bid list uses these WIX numbers. When bidding brands other than WIX, the cross reference number of the brand bid must be provided on the bid sheet.

4. The successful bidder must accept both the **State Credit Card and Purchase Orders.**

5. If contract is extended and a price adjustment is allowed, then a revised/updated price list must be provided to both the Bismarck District Shop and the Procurement Office. .
