All disputes arising from this agreement shall be brought in the South Central District Court of the state of North Dakota.

8. This agreement constitutes the entire agreement between the parties. No waiver, consent, modification, or change of terms of this agreement shall bind either party unless in writing and signed by both parties. Such waiver, consent, modification, or change, if made, shall be effective only in the specific instance and for the specific purpose given. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this agreement. The Contractor, by the signature below of its authorized representative, hereby acknowledges that the Contractor has read this agreement, understands it, and agrees to be bound by its terms and conditions.

10. The Contractor shall not assign any portion of the work under this agreement, execute any contract, or obligate itself in any manner with a third party with respect to its rights and responsibilities to this agreement without written consent of NDDOT. Any agreement with a subcontractor does not create a contractual relationship between the NDDOT and the subcontractor.

11. The Contractor shall not assign nor transfer the contractor's interests or duties under this agreement without the

12. The Contractor agrees to comply with all applicable laws and rules, including, but not limited to, those relating to nondiscrimination, accessibility, and civil rights.

Payment will normally be made within thirty days after delivery and acceptance of commodities or services under this contract and receipt of a correct invoice. All invoice and payment inquiries must be directed to the Purchasing Agency.

18. Contract Amendments, Unanticipated Amendment. After a binding contract has been entered into, no changes (i.e. additions, substitutions, subcontracting or a price adjustment) may be made, unless prior approval has been obtained from the purchasing agency and Procurement Officer. NDDOT shall also be advised of and receive the benefit of any price decrease. The same notification and review process will apply to a decrease in cost.

20. **Contract Term and Renewal Option.** The NDDOT will enter into a contract with an effective date **beginning September 1, 2022, and ending June 30, 2023**, inclusive. This contract may be renewed upon satisfactory completion of the initial contract term. Renewals will be documented by amendment.

The NDDOT reserves the right to renegotiate price and terms provided that such negotiated price and terms fall within the original scope of work for this bid. Such changes will be documented by amendment to the contract.

21. **Inspection and Investigations.** NDDOT reserves the right to conduct inspections and investigations related to the bidder and the offered commodities or services, including but not limited to the firm, personnel, qualifications, and the commodities and services offered to make determinations regarding compliance with the bid requirements and responsibility of the bidder. If commodities or services are rejected as being not compliant with the requirements of this solicitation, NDDOT will inform the Contractor in writing. The Purchasing Agency may provide the Contractor with a reasonable opportunity to cure, whenever practicable, as set forth in writing by the Purchasing Agency.

22. **Materials and Workmanship.** All material and workmanship shall be subject to inspection and testing at the discretion of the Purchasing Agency either at the point of manufacturer, place of storage, or upon receipt.

24. **Receiving.** Deliveries must arrive at the designated destination(s) during normal business hours unless other shipping/receiving instructions are issued by NDDOT personnel. The contractor shall contact the NDDOT to schedule delivery dates and times at least 24 hours in advance of delivery.

All NDDOT offices will be closed in recognition of State holidays. Any day declared a holiday by the President or Governor will also be recognized by office closure.

25. **Responsibility of the Contractor.** The Procurement Officer, at any time, may make a supplementary investigation as to the responsibility of any Contractor, even though the Contractor may be on the Bidders List. However, the Contractor may enter into subcontracts provided that any such subcontractor acknowledges the binding nature of this contract and incorporates this contract, including any attachments. The Contractor is solely responsible for the performance of any subcontractor. The Contractor shall not have the authority to contract for or incur obligations on behalf of the NDDOT.
28. **Successors in Interest.** The provisions of this agreement shall be binding upon and shall inure to the benefit of the parties hereto, and their respective successors and assigns.

29. Testing and Acceptance. Blades may be tested upon delivery to ensure compliance with specifications prior to payment. The testing procedure requires approximately sixty (60) days. Materials failing to meet specifications will be returned at the Contractor's expense.
30. Termination
- a. This contract may be terminated by mutual consent of both parties, or by either party upon 30 days' notice, in writing and delivered by certified mail or in person.
  - b. In addition, NDDOT may terminate this contract effective upon delivery of written notice to the Contractor, or at such later date as may be established by NDDOT, under any of the following conditions:
    - i. If NDDOT funding from federal, state, or other sources is not obtained and continued at levels sufficient to allow for purchase of the indicated quantity of services. The contract may be modified by agreement of the parties in writing to accommodate a reduction in funds.
    - ii. If federal or state regulations or guidelines are modified, changed, or interpreted in such a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.
    - iii. If any license or certificate required by law or regulation to be held by the Contractor to provide the services required by the contract is for any reason denied, revoked, or not renewed.

Any such termination of this contract under (i), (ii), or (iii), above, shall be without prejudice to any obligations or liabilities of either party already accrued prior to such termination.

- c. NDDOT, by written notice to the Contractor, may terminate the whole or any part of this agreement.
    - i. If the Contractor fails to provide services called for by this contract within the time specified herein or any extension thereof; or
    - ii. If the Contractor fails to perform any of the other provisions of this contract, or so fails to pursue the work as to endanger performance of this contract in accordance with its terms, and after receipt of written notice from NDDOT, fails to correct such failures within ten days or such longer period as NDDOT may authorize.
