CONTRACTOR LICENSE RENEWAL APPLICATION - 2018

DUE: The renewal is due March 1, 2018. The envelope **must bear a postmark prior to March 2, 2018 to be acceptable without the late filing fee.** On March 2, 2018, the license issued in 2017 will automatically expire. Unless a license has been issued for 2018, you are prohibited by law from contracting for any work over \$4,000 in value. The late filing fee must accompany an application postmarked after March 1, 2018, but on or before June 1, 2018. Any renewal application postmarked after June 1, 2018 cannot be accepted.

LEGAL BUSINESS STRUCTURE CHANGE: If your legal business structure changed during the past licensing cycle (for example, a single proprietorship is now a corporation or a partnership is now a single proprietorship), state law requires that you apply for a new contractors license. The application for a new license is available from the Secretary of States website at sos.nd.gov. The new license fees are provided on page 1 of the application; a renewal fee is not required if an application is being submitted for a new license.

BUSINESS STRUCTURE/BUSINESS NAME REGISTRATION: A contractor that is a corporation, LLC, or LLP must have the business structure active and good standing to be eligible for a license renewal. A sole proprietor or partnership with a business name must have an active business name registration on file with the Secretary of State.

FILING FEES: The table on page 1 lists the license renewal fees as well as the fee if filed after March 1, 2018. Fees for a new license are also provided if an alternate class license is preferred. Checks must be payable to "Secretary of State" and must be for U.S. negotiable funds. Payments may also be made by credit card using Visa, MasterCard, Discover, or American Express.

INSTRUCTIONS: The following numbered instructions correspond to the numbers on the renewal form:

1. The application is addressed to the licensee in the name as currently licensed and to the official address on record. If the address is no longer correct, make any necessary changes.
2. The class of your current license is provided. Do not make changes to this class.
3. The number of your current license is provided. Do not make changes to this number.
4. The type of business defining your legal business structure is provided. If the legal business structure has changed since the prior licensing cycle, a new license is required. See above.
5. If the business type listed in number 4 is sole proprietorship, provide the individual's social security number in number 5.

Privacy: Disclosure of the social security number is required pursuant to 42 U.S.C. 666 (a)(13) and N.D.C.C. ch. 43-50 and may be used for data-matching with other state agencies. It is also used by the Secretary of State to accurately maintain contractor records and to facilitate the process. Failure to provide social security number will result in the rejection of the application. The social security number will not be released to the public.

If the business type listed in number 4 is anything other than sole proprietorship, provide the federal ID number. Disclosure of the federal ID number on this form is voluntary. The number will not be released to the public and is used by the Secretary of State to accurately maintain contractor records and to facilitate the process.
